### **DATES**

<b>Computer Based</b>	<b>Session</b>	<b>Exam day</b>	<b>Entry Closing Date</b>
<b>BULATS</b>	On demand (all year round)	In order to provide a flexible system which fits in with different requirements, there is no fixed exam dates with a minimum of entry 25 candidates	8 weeks in advance

- the adaptive nature of computer-based BULATS means each test is virtually unique
- test questions and instructions are in the same language as the test
- the test only lasts approximately 60 minutes
- the computer-based test assesses listening and reading skills, and knowledge of grammar and vocabulary. It does not test writing or speaking: these are available as separate tests

*The minimum entry requirement is 10 candidate entries for each exam session*
